Weekend @ Waikato

THANKS FROM THE TEAM

The team at **Waikato Stud** could hardly be prouder of the results achieved at **New Zealand Bloodstock's 2016 Yearling Sale Series** and for this, we would like to extend a sincere thanks to our sea of supporters.

38%

WS-Sired Turnover at
Premier Sale

Obviously, we were extremely proud to be named **Leading Vendor** for the third year running, but to the sale there was so much more, namely with the results achieved by **WS-sired progeny**.

To put things into perspective, Waikato Stud's draft represented **15%** of the Premier Sale turnover. WS-sired progeny, on the other hand, represented a whopping **38%** of the Premier pie.

Remarkably, **20%** of this Premier pie could be attributed to **Savabeel**. When you look at top six yearlings sold, four were by **Savabeel** (see table on next page)

What is fantastic about the table following, is it highlights the success shared by our clients.

Not only was **Savabeel** the sire of Waikato Stud's highest ever priced yearling, but he achieved the same feat for **Richard Rutherford's Beltana Stud** and **Sam and Catriona Williams' Little Avondale Stud** also.

SAVABEEL'S TOP FOUR AT KARAKA

| LOT | TYPE | BREEDING | VENDOR | PURCHASER | PRICE |
|-----|------|---------------------------------|-------------------------|--|--|
| 442 | BL.C | Savabeel / O'Reilly Rose | Beltana | First Light Racing/ Mr P Willetts/Moody Racing (VIC) | \$825,000 -HIGHEST PRICED YEARLING EVER SOLD BY BELTANA |
| 200 | BR.C | Savabeel / Bling | Waikato Stud | Mr DC Ellis (Te Akau) | \$775,000 -HIGHEST PRICED YEARLING EVER SOLD BY WAIKATO STUD |
| 301 | B.C | Savabeel / Gener- ous Nature | Little Avondale Stud | Ultra Thoroughbred Racing (VIC) | \$775,000 -HIGHEST PRICED YEARLING EVER SOLD BY LA STUD |
| 29 | BR.C | Savabeel / Queen of Avalon | Windsor Park Stud | Shadwell/De Burgh Equine (Ireland) | \$550,000 |

It is also simply awesome to see judges the like of **First Light Racing, Paul Willetts, Peter Moody, David Ellis, Ultra Thoroughbred Racing, Shadwell/DeBurgh Equine** value **Savabeel's** stock at the very highest level.

Beyond **Savabeel**, demand for WS-sired progeny was particularly evident from **Hong Kong**.

To this end, NZB as agent secured for Hong Kong interests, **Pins'** top priced yearling ex **Royal Excess** via **Little Avondale Stud's** draft for **\$260,000** and supported **WS'** own draft with the **\$375,000** purchase of our **O'Reilly** colt ex **Pin High** and with the purchase of **Rock N Pop's** top priced colt ex **Disguised** for **\$220,000**.

We were thrilled with how well **Rock N Pop's** first crop progeny were received, as was the case also for barnmate and fellow first crop sire **Ocean Park**.

Ocean Park was the leading **NZ-based First Season sire** at Karaka and was represented best by his son ex **Ruud Van Slaats**, who was purchased from **Trelawney Stud** by **Ciaran Maher** for **\$325,000**. Given **Trelawney Stud** bred **Ocean Park**, the result was indeed fitting.

We are rapt to be able to congratulate client success such as this.

We are also humbled by the support it shows, so to the buyers, the underbidders, the vets, the yearling handlers and to NZB, thank you for enabling this!

THE MAIL

-WITH MARK CHITTICK-

As you saw above, there was some terrific results at Karaka this year.

I have long said success is best when shared and there was plenty of this to be had at the sale.

To the buyers of both the WS-sired and WS-consigned progeny, I extend a particular thank you. Your support is sincerely appreciated and we genuinely look forward to following your success in the seasons to come!

Speaking of which, some great racing at Te Rapa tomorrow. Hopefully Sav's progeny can land their 4th consecutive win in the Gr.1 Herbie Dyke Stakes!

M.
