## Sequin Stars For Glitz

**Glitz** was a quality performer during her racing days and the **O'Reilly** mare is proving equally productive as a broodmare.

The winner of nine races including the **Listed Rotorua Stakes**, has had two foals to the races so far with **Glitz** (Pins) having five Sydney victories to his credit and a placing in the **Gr 3 Hawkesbury Gold Cup**.

His sister **Sequin** has been retained by the farm and she now counts the two wins and three placings from six appearances after her Paeroa success last Friday. The 4YO is trained at Matamata by Graham Richardson, who believes she will improve further with time and will develop into a black-type contender.

WS will be offering a sister (**Lot 219**) to **Sequin** and **Glitz** during the upcoming Premier Sale.

# Nandowra Back in Style at Kranji

Trainer Michael Freedman believes there's plenty of scope in the WS-bred and sold **Savabeel** 4YO **Nandowra** after he resumed from a spell for a gutsy win at Kranji last Friday.

**Nandowra** - who had not raced since finishing out of the money in last November's Singapore Gold Cup (2200m), unleashed a gritty 1400m comeback, duelling with rival **Davide** to score by a neck.

*"I think we knew we could forget his run in the Gold Cup as he didn't handle the bog track at all that day,"* said Freedman.

A \$25,000 purchase from WS's 2009 Premier Sale draft, **Nandowra** is out of the winning **O'Reilly** mare **Fabaz**.

## Mark's Mail

We completed our last yearling parade at the farm today.

The yearlings head up to Karaka Monday and I have to say, we are very happy with the draft going up this year.

My tip this week is that the **Fast N Famous** filly **Hope So** (Ex Viveasha) will add another win to her career this Saturday.

**TIP OF THE WEEK:** **Hope So**, Counties RC, Race 4, **Ebony Grosve Hcp (2100m)**, 2:10pm.

Hope to see you at Karaka!
